

Computer Science Teaching Endorsement Programs in Illinois (Grades 5-12)

Institution	Program	Credit hours needed	Number of courses	Time to endorsement	Modality	Tuition (AY 2024-25)	Program-specific financial aid	Website	Notes
DePaul University	Computer Science Endorsement	36	9	1-2 years	Choice of online or in-person	\$723 per credit hour = \$26,028	--	Program website	--
Eastern Illinois University	Computer Science Minor for Teacher Licensure	22	8	4 semesters	In-person	\$344.25 per credit hour = \$7,573.50	--	Program website	--
Illinois State University	Computer Science Endorsement	18	ISU does not have a set course map for their CS endorsements. Rather, they offer a crosswalk between their course catalog and ISBE's required courses for each endorsement. Because of this, number of courses to endorsement, time to endorsement, and modality of courses is subject to student choice and course availability.			\$422.57 per credit hour = \$7,606.26		Teacher Education Subsequent Endorsement Guide	--
	Business, Marketing and Computer Education	18							--
	Business, Marketing and Computer Programming	18							--
	Technology Education	18							--
